cjbk 29 radio london

December 30. 1975

Mr. S.R. Morss,
R 3 Bradford,
Mass., USA
01830.

Dear Sir,

Thank you for your reception report of Dec. 22/75 .
I am pleased to confirm your report as you logged it from
2:16 - 2:40 am EST.

C.J.B.K. Radio London broadcasts 24 hours a day at a power of 10KW from a 9 tower array located 10 miles south of the City of London.

Trusting you will again pick up our signal.

Yours sincerly,

Jeff Guy,
Chief Engineer.
